**Important:** This is not a contract. This is a *summary* of the benefits available to you. The group agreements and Plan documents must be consulted to determine the exact terms and conditions of coverage. All benefits and self-pay contributions are subject to change.

## *The HMO and EPO plans*

(Health Maintenance Organization and Exclusive Provider Organization) provide quality care under a **managed care** environment, within a **defined service area**. When you enroll in an EPO or HMO plan, you must use their medical providers and hospitals for all of your medical care and prescription medication needs. **No benefits are provided if you, or your eligible dependents, use non-EPO or non-HMO providers**, except for certain medical emergencies.

There are no claim forms to fill out, and the Fund pays United HealthCare directly for your health care needs. Most routine health care services are provided to you for specified co-payment amounts at the time of service, but deductibles and co-insurances apply to others if you are not eligible for Medicare.

United Healthcare EPO / Medicare Advantage HMO of Arizona's **Service Area** is defined in their enrollment packet. To enroll in United Healthcare or Medicare Advantage of Arizona, you must reside in and have all medical services performed within their defined service area. If you enroll in United HealthCare or Medicare Advantage and *frequently* travel, there may be **no benefits available** while you are outside of their service area.

## ***Your Monthly Self-pay Contributions***

Please refer to the “***Retiree Self-Pay Rates for Calendar Year 2018***” for your appropriate monthly self-pay contribution. These rates are current as of the printing of this material, and are subject to change. All rates are currently based on the retiree’s years of Pension Credit, and whether the retiree and/or his eligible dependents are eligible for Medicare.

Self-pay contributions will be deducted from your monthly pension benefit check. If your pension benefit is not large enough for the self-pay deduction, however, you will be required to remit monthly payments to the Administrative Office, in order to continue coverage under the Retiree Health Plan. All payments for coverage are due in the Administrative Office no later than the 20<sup>th</sup> of the month prior to the month of coverage. Failure to remit a timely payment will result in a termination of coverage.

These rates apply only to retirees and surviving spouses who have elected and continuously maintained coverage under the Sheet Metal Workers’ Retiree Health Plan. **These rates do not apply to retirees or surviving spouses who have initially declined or previously terminated their coverage.** For current “Reinstate Rates”, please contact the Administrative Office.

## ***Eligible for Medicare?***

If you (*or an eligible dependent*) are eligible for Medicare, you (*or the dependent*) **must** enroll in Medicare Parts A **and** B. In addition, you (*or the dependent*) **must** enroll in United Healthcare’s *Medicare Advantage*, **and** assign your Medicare benefits to United HealthCare. **Failure to comply may result in a termination of your coverage under the Retiree Health Plan!**

# ***Moving?***

To avoid a *possible lapse in your coverage*, **please contact the Administrative Office immediately if you change your mailing address!** We will advise you of any current options available due to your change of residence.
